

AOLP

Association of Outdoor Lighting Professionals

Membership in your professional trade association provides you and your company with numerous benefits. Whether your company is having the best year of its history or experiencing challenges, there should never be a question as to whether you should join AOLP! But, don't take our word for it. Just peruse the list of benefits below and you will see for yourself the many opportunities afforded to members of AOLP.

Manufacturer Benefits

- Attend top-notch educational sessions.
- Get access to the membership list, which can be used for direct mailings, communications and any of your marketing needs!
- Get involved in the lighting industry and help advance the growth of the overall industry.
- Increase the visibility and professionalism of AOLP and its members.
- Meet and network with contractors, distributors and other manufacturers. It's a great way to make new friends and keep abreast of what is going on in the industry.
- Obtain up-to-date legislative information and be aware of many current regulatory issues that can negatively affect our industry.
- Participation in AOLP's certification programs and help create standards for installation and design of outdoor lighting products.
- Participation in the Expo at the Annual Meeting and show your products to industry professionals. Talk to some of the best outdoor lighting professionals in the industry!
- The quarterly publication, *Lightlines*, is always full of good information and you also can submit a ¼ page ad for free as part of your membership!
- Utilize CST as a collection agency for unpaid payments and PayAnywhere to process credit cards remotely through a secure system.
