ASSOCIATION OF OUTDOOR LIGHTING PROFESSIONALS ANNOUNCES 2010 CONFERENCE LOCATION

Harrisburg, PA -The Association of Outdoor Lighting Professionals (AOLP) has announced its 2010 Annual Conference will be held January 25-30 in an exciting new location. After many hospitable years in Scottsdale, Arizona, AOLP is moving a little east.

The Conference will be held at the El Tropicano Hotel on the Riverwalk in San Antonio, TX. With a similar format as previous years, educational sessions will begin Thursday, January 28 and run through Saturday, January 30. During that time, the annual membership meeting will be held as well as the presentation of the 2010 Annual Outdoor Lighting Awards.

Kicking things off prior to the Conference, both AOLP certifications will hold testing. The Certified Low Voltage Lighting Technician (CLVLT) exam will be held on Tuesday, January 26, and the Certified Outdoor Lighting Designer (COLD) courses for both Year 1 and Year 3 participants will be held Wednesday, January 27.

Mark your calendars now and get ahead of the game by booking your flight and hotel room today! Detailed conference information and registration will be available later this year. Check out the AOLP Web site for ongoing updates at www.aolponline.org.
