AOLP ANNOUNCES 2014 LEADERSHIP

HARRISBURG, PA- Last month, the Association of Outdoor Lighting Professionals (AOLP) hosted its 2014 Annual Conference & Expo in San Diego, California. The conference featured two certification training sessions, as well as numerous educational speakers and seminars. During the conference, the membership voted for their 2014 Board of Directors. The main responsibilities of the Board are to run the organization, promote the value of membership and lead the growth of the association, and to continue to move the industry as a whole forward. AOLP is proud to announce its new leadership for 2014:

President: Matthew Broyles, CLVLT, COLD

Firefly Lighting LLC, Atlanta, GA, mbroyles@fireflylightingllc.com

Vice President: Paul Welty, CLVLT, COLD

Innovative Nightscares LLC, Portland, OR, paulw@innovativenightscares.com

Treasurer: Gerry De La Vega, CLVLT

Terradek Lighting Inc., Plymouth, MN, GerryD@terradek.com

Secretary: John Niggli, CLVLT, COLD

Lightscaping by Niggli Associates, Rochester, NY, johnN@light-scaping.com

Michael Deo, CLVLT

NatureScape Lighting, Millington, NJ, mideo@naturescapelighting.com

Paul Gosselin, Sr., CLVLT

NightScenes Corp, Kingsland, TX, paul@night-scenes.com

Victor Samano

Universal Lighting Systems, Mira Loma, CA, victor@unvls.com

For more information about AOLP, visit our website at www.aolponline.org. The Association of Outdoor Lighting Professionals is an international organization representing the interests of lighting professionals. The mission of the organization is to establish standards, educate industry professionals and increase awareness of the outdoor lighting industry.
